## Day 2: Arenal Day Adventure;;;Rafting & Rappel

Join us for a great day!!! Your trip begins with a 30-minute 4x4 drive into the tropical rainforest outside the town of La Fortuna, in the shadow of the Arenal Volcano. From the first waterfall we will rappel down from the top into the beautiful and pristine canyon below. We have 5 rappels, 4 of which are along side or right in waterfalls, and one dry rock face. Then a short trek out of the canyon on a magical trail, jump back in the 4x4 vehicles and we will head over to the Balsa river and enjoy up to 2 exhilarating hours of white water action on this beautiful tropical Balsa river.

Get wet and wild through rapids such as "Magnetic Rock" and "Dredges". Enjoy a swim, some fresh tropical fruits and a cold drink followed by a hearty Costa Rican lunch. A great "combo" of adrenalin, fun and adventure.

In the evening, you can relax in the nearby hot-springs locally owned by Dona Mireya and her family. There are five naturally-fed pools of different temperatures, one of which is always the perfect temperature for relaxing as the sun sets. Dinner is a wonderful home-style meal served in a rustic wooden ranch can relax in private hot spring waters... **Overnight in Arenal Observatory Lodge or similar (Breakfast/Lunch/Dinner Included)**

## Day 3/4/5: Relax;;;Beach Time in the Central Pacific

Let's pack up our belongings and head to the beach. On the way to Jaco we are enjoy the canopy!!!! Sky Trek and Tram The slow paced Sky Tram gondolas will provide a smooth ride through the rain forest, with endless views along the way, so you can appreciate the natural beauty that surrounds you on your way to the top.

Once at the at the observation deck, you will be able to enjoy the most magnificent views of the volcano's south face for as long as you desire. From there, you will have two options for returning to the base. The first option is to ride back down the same way you came up, on the Sky Tram.

On the ride you will be able to notice how the vegetation varies as the altitude changes once again. The second and more exciting option is to zip your way to the bottom along a series of zip lines. The zip line descent is the best option for those seeking a rush of adrenaline. Arrive late afternoon at Jaco Bay Ramada. **Overnight in Condominium Jaco Bay Ramada(Breakfast Included)**
